NAPOMENA:

- *Za plovila na godišnjim ugovorom vezu u moru, dodatno se obračunava boravak na kopnu "dnevno" ili "zimovanje" na kopnu (neprekidni boravak na kopnu u periodu 01.10.-31.03.)
- *Cijena upotrebe dizalice za treći i svaki slijedeći puta u kalendarskoj godini, umanjuje se 20% za isto plovilo.
- *Cijena upotrebe dizalice i pranje plovila za višetrupce, uvećava se za 50%.
- *Cijena tegljenja plovila i veza na kopnu za višetrupce se uvećava za 100% cijene prema dužinip plovila.
- *Cijena upotrebe dizalice i pranje plovila izvan radnog vremena i praznikom, uvećava se za 50%.
- *Namještanje kobilice, premještaj plovila na kopnu i dizanje na trakama do 1h, obračunava se kao 1 operacija dizalice.
- *For vessels with an annual contract at sea, the stay on land is additionally calculated "daily" or "wintering" on land (implies a continuous stay on land in the period 01.10.-31.03.)
- *The price of using the crane for the third and each subsequent time in a calendar year is reduced by 20% for the same vessel.
- *The price of using the crane and washing the vessel for multihulls is increased by 50%.
- *The price of boat towing and berthing on land for multihulls is increas by 100% of the price according to the length of the vessel.
- *The price of using the crane and washing the vessel outside working hours and on holidays is increased by 50%.
- *Setting the keel, moving the vessel on land and lifting on straps up to 1 hour is calculated as 1 crane operation.
